Dear Sir/Madam

Consultation on a proposed casino monitoring system

SkyCity Entertainment Group Ltd has submitted an application for minimum standards to enable the introduction of a new casino monitoring system.

Minimum standards are prescribed by the Secretary for Internal Affairs ("the Secretary") pursuant to section 327 of the Gambling Act 2003 ("the Act") and section 372 of the Act provides an obligation for the Secretary to consult with those likely to be affected.

The proposed system is wide ranging and would provide the casino and its customers with a number of new tools.

You are invited to review the proposal and provide feedback to the Department by 5 August 2010.

A second consultation document detailing the proposed technical changes required to implement the proposed system will be circulated shortly to interested parties.

Correspondence should be addressed to Angela Ibbotson and may be sent by email to Angela.Ibbotson@dia.govt.nz or by mail to Gambling Compliance Group, Department of Internal Affairs Te Tari Taiwhenua, PO Box 805, Wellington.

Yours faithfully
