Frequent F.A.Q.s

How does it work and how do I get paid?
If you meet the requirements - your account will be approved. You will then be taught how to start recieving daily surveys you can start filling out for $3-$40 per survey, and how to get the TOP paying surveys. You can choose to be paid by Check, Wire or Paypal.

What happens after I enter my name and email?
Our account managers will review your account and email you if you are approved. In this case, you will however receive a email from us the same day you signup for our program.

How much can I realistically make?
As of beginning of 2012, 6,495 people in 32 countries have earned $453,892.51 from all paid surveys.
