

GMP by number of machines at venue for quarter to June 2010

The data provided below shows, for all class 4 venues, GMP by number of machines. The data is provided for all machines, and for non-clubs and for clubs venues licensed as at 30/06/2010. Data for venues that were not licensed at this date are excluded; therefore the total GMP may not match with the official figures. Note that range and median GMP data is not provided for groups of fewer than 3 venues, as this would reveal GMP for individual venues.
