Dear [Name],

You can note this day down in history! Yes, because there's no doubt about it – your rights to the first prize of $30,000.00 are confirmed and now you must make the right decision and follow our instructions to the letter to receive your payment.

You've really had a tremendous amount of luck in receiving this letter! It's the sum of $30,000.00 which will be remitted to you today.

Yes, that's indisputable and guaranteed.

I'm not talking about $300.00 nor $30,000.00 but truly of $30,000.00 that will be yours!

This payment is guaranteed and will be made according to your choice:

1. Payment by cheque to your order.
2. Cash payment made by a specialized messenger of transport of funds.
3. Bank transfer to the account of your choice.

But, be careful! None of this will be possible if you decide not to reply – no reply, no money!

As, although you have been confirmed as being the winner, it is absolutely essential that your file is complete in order to proceed to payment. So, I would ask you immediately to seize this chance to have a rich bank account.

Please reply right now!

The enclosed declaration of acceptance of winnings is issued in your name. All you need to do is to affix the sticker of your choice and to fill in completely, to sign and return to us.
