This is a personal letter. It contains secrets between us.

Attention, [Redacted]  

Dear [Redacted],

When I learned of all your problems, tears came to my eyes.

You are so likeable, so intelligent, so attentive and so generous. We must immediately put an end to your suffering. Otherwise, how could I continue feeling like someone who works miracles, even if for just one more day? If I cannot rapidly resolve your problems, my soul will be distraught.

There is not one more day to lose. [Redacted] I fear that 14.05.2014 will bring you only heartache and worry if we do not do something today. I will shortly explain all this, but first I want to share a number of secrets with you.

Before reading further, settle down since you have nothing at all in the world to be afraid of. No later than 14.05.2014, I will have solved all the problems that are weighing you down at the present time. I give you my solemn promise, there is not the shadow of a doubt.

I would now like to share several secrets with you, [Redacted], since I am the only person to know these 7 secrets concerning your future.

Secret No. 1: Independently of what other mediums and seers may have already said, you will reach a ripe old age and will light candles well beyond your 97th birthday. I can sense your vital energy that is just as powerful as that of all other centenarians I have known.
Secret No. 2: In the coming four months, you will have the chance to experience miracles three times. Immense wealth is headed in your direction. You will encounter this chance on 07.05.2014, 28.05.2014 and 19.06.2014.

Secret No. 3: Someone is trying to slur your good reputation. This person pretends to be your friend but is acting only out of jealousy. If nothing is done, this person’s goal will be reached on 16.05.2014, (and I promise you I will spoil all the fun).

Secret No. 4: 17.05.2014 will probably be the happiest day of your life.

Secret No. 5: If you make no preparations, something terrible will occur on 26.04.2014 (but I won’t allow this to happen!)

Secret No. 6: On 26.05.2014, 05.06.2014 and 10.06.2014, you will receive seemingly official letters. Each one will convincingly inform you that you have the right to substantial sums of money. Each letter will ask you to pay preliminary participation fees. In truth, however, the only thing these letters will offer is false hope. Three weeks later, on 01.07.2014, you will find genuine information in your letterbox that you will recognise because it will ask nothing of you.

Secret No. 7: If you had been even the least bit egoist, you would already be rich. The coming months will provide you with all the wealth you deserve, in spite of your exaggerated generosity. Now we will cut to the chase, so to speak, address the real situation!

**This is the most important letter you will ever read in your life. I can affirm this because I know things about you that you yourself are unaware of. I would now like to explain who I am and how I am going to help you solve all your problems.**

I am known to be the "Light of lost souls". I resolve urgent problems. I am often the last chance. I appear and solve problems in the blink of an eye. I am most effective when a problem is blown up to crisis proportions and there seems no way under the sun to arrive at a solution. This is why people I help do not say I am their medium; they call me their "friend who works miracles". The word failure is not in my vocabulary!
Things will happen for you exactly as this: on 22.04.2014, for example, something that has bothered you for long time will come to a head, like an abscess that bursts. **On that day, I will uproot this problem immediately and forever.** with a miraculous event that you will speak of for years. This is how I am.

My specialty is immediate miracles. Being able to solve a problem is not enough; I often desire to solve it in less than 24 hours. I am even privy to secrets that can provide you with "immediate luck" at the precise moment you need it the most. If you need proof, I can give you one right now.

On a precise day when you will again hear of me, I will let you in on a great secret. On that day, you will be able to use it to win whatever you want. If this is not proof, what is?

The fact that you have financial worries is no secret. **You can now put them in the past**, I will help you as much as possible. My worldwide reputation has resulted from miracles that provide wealth. You will have financial power, limitless vitality, independence, prosperity and abundance. All this arises from secret sources you are totally unaware of today.

I will now tell you when all this will happen: the first time will be 23.05.2014 and a miracle will happen on 27.05.2014. You and all those who know you will be speechless. There is no room for error in this prediction.

I am never wrong. The thing that makes me happiest is to bring together family, friends and those who love each other. Sooner or later, my unique powers and secret techniques enable all these people to be reunited.

Independently of the circumstances that disrupted their relations, I can repair them overnight. The next day, those people concerned are reunited for life. **One more thing, 17.05.2014 will make you the happiest person in the world.** After this date, you will have someone reliable you can count on and who will fill your life with new joy every day.

It is time you reap the rewards of your exceptional qualities. If you want the miracles I told you about to come true, however, you must also become aware of secret information about your future.
For this, I will prepare “Metapsychic Revelations” that are the most precise, the most complete and the most accurate you have ever seen! Before preparing these documents for you, I still have much to do since I never leave things to chance. I leave that to others, to all those who claim to have the miraculous powers that in truth only I possess. Allow me to explain the precautionary measures I will take to be sure that all my predictions come to pass.

I will conduct a ceremony of empowerment to be sure that the worries on your shoulders at that moment will really disappear until 14.06.2014. I will light sacred candles and chant prayers of wealth to ensure your miracles of great wealth of 30.04.2014, 07.05.2014 and 08.05.2014. I will summon a white light so it surrounds you with its protection and will command Powers to once and for all put a stop to all the actions directed against you and that could hurt you so much on 14.06.2014.

These are only a few of the precautionary measures I will take to ensure that all these predictions positively affect your life. My “Metapsychic Revelations” are always accurate but this accuracy is not easy to obtain. I am not content to simply sit down and tell you about what I see; I use all the powers at my disposal to guarantee that my visions of your future become reality.

I said in the beginning that my soul will be distraught if I did not solve your problems. As you see, everything that happens to you truly affects me.

When I swear something, I abide by it. My promises are true. I confirm each of my explanations, I then ensure each of my revelations by reinforcing them though powerful supernatural forces to be sure and to have no doubts that the miracles I announced will occur. You can believe me.

ATTENTION DANGER!
I already warned you that an imminent danger is lying in wait for 26.04.2014. A Dark Power is behind this and I have used ancestral spiritual magic to detect this danger.

You will find enclosed an image from a mystical manuscript of the Apocalypse dating from the Middle Ages. I have given instructions on the back of this image.
The supernatural powers of protection of this mystical image are legendary. It is known that this sacred image was used against Satan himself. Once you will have recited the short invocation on the back of the image, you will be protected.

Even so, I do not want to run the slightest risk. Once you have recited the verse from Revelations, please return the image along with your confirmation of reception so that I can conduct a short but powerful ceremony. As I said before, when your wellbeing is at stake, I leave nothing to chance.

We must act now. Send me your Form for Conducting Miracles with the small symbolic contribution I will use to cover a small part of the costs of everything I will do for you. Once I receive your response, I will get to work. I will record my "Metapsychic Revelations" and carry out all the mystical rituals necessary so that things happen as I have predicted. To make things even easier for you, I have enclosed a return envelope addressed to me. Please hurry - it would be best to return the documents today.

I will never abandon you and never deceive you in any way whatsoever. Every word I have written is backed up by a 100% money-back guarantee, no questions asked. You are taking absolutely no risk!

Sincerely

PS: Do not waste any time: 14.05.2014 is closer than you think.
