Dear [Name]

While reading this letter, 3 words of power will trigger luck in your life ... 3 other words will bring wealth and the last 3 will ensure the most fantastic love you ever known!

In addition, in the blink of an eye you will have dealt your worst enemy a decisive blow.

Over the next 72 hours, your fate will will most certainly change for the better. Everything will be different at home in Musterstadt. The hope for intense and long-lasting happiness will also return.

I will tell you what awaits you and when it will enter your life. But first of all the most important thing:

The "9 Words of Power" - never disclosed before - will be revealed to you in this letter.

When you use these Words of Power, invisible and mighty forces will start changing your existence into one filled with happiness, money and love.

I will also shortly explain how you can deal your worst enemy a decisive blow. This is the person who is responsible for the failure of all your projects and objectives, who is at the origin of a problem that has haunted you for such a long time, and who is still stubbornly pursuing you.

Dear [Name], did you ever ask yourself if there is a person or thing in your immediate surroundings that wishes misfortune and failure to befall you?

In this letter you will find AT NO COST a secret and very special means that not only will protect you completely, but that more specifically will fend off all misfortune or evil occult influences surrounding you.

You will be able to order mysterious forces to come to your aid immediately and defend you aggressively by using the 9 Words of Power.

It has long been known that very old, magical and secret formulas exist that must be recited only three times in a very special way to immediately, almost "on command", trigger true wonders for the person who recited these words and after only a few minutes.
You are undoubtedly sceptical when reading that your dreams can come true and that genuine wonders can come out of the blue. I can understand your attitude. It is hard to believe for a person who has never witnessed with his own eyes how such phenomena occur.

Please allow me a few moments to explain:
I possess irrefutable evidence of genuine miracles, proving that not only miracles can happen to you, but that you can also make them happen!
You will see this very shortly.

You will be able to use this force that creates miracles and that will change your life, at no cost:
✓ It will lead you from financial misery into wellbeing and financial independence, since you will always come into money whenever you need it

✓ It will change a life of solitude and dispute into one where you are surrounded by people who hold you in high esteem and who love you

✓ It will put an end to possibilities you missed out on, of never-ending problems and bad news and change all this into a life where every problem solves itself, without you having to lift a finger.

This is how your life will be, and those who have or have had these 9 Words of Power can prove it to you.

I don’t know if you believe in miracles. If you do, I know that like many people who believe in miracles and if you use these words of power, you will soon tell me about how the impossible has become reality, and in less than 30 days.

During the first few hours, you will already feel the hypnotic influence that you exercise on other people, things and events. And the first miracles will perhaps occur right in front of your own eyes.

You are asking yourself who this person is who is predicting such incredible and rapid changes in your life?

My name is Madame Soleil. I belong to the High Counsel of the Magic 7, of which I have been the President for the past 16 years.

This High Counsel includes the most influential clairvoyants, analysts and psychologists of the planet that meet at a round table. We get together once a month and on these occasions we concentrate our knowledge and thoughts to help those who are not in the "system", the less fortunate and the unemployed. Those who have been forgotten by society and whose income is barely sufficient.

As a result of our clairvoyant and telepathic gifts, we know that your situation that is hard to put up with could soon become even worse if you do not receive help immediately.

Although we want to urgently warn about your situation today, we also want to tell you that there is an "emergency exit", a fantastic path that leading to money, happiness and love. Directly. But you must also act to seize this unique chance.
Time is of the essence. The weeks are counted. After reading these lines, it may even be a question of one day...

**Does this mean that the significant sum that you have been secretly expecting for such long time will soon be in your account? Now? In the next few days?**

You can be certain of this! And this is not the only surprise in store for you.

It will probably lead you out of this long and troublesome period in your life where everything was so difficult for you.

You know better than anybody else: nothing ever happens as expected.

You are really caught up in a vicious circle of serious problems that endlessly repeat themselves: perpetual bad luck that literally sticks to your skin and never lets go; legitimate desires that never become reality.

This is why the High Counsel of the Magic 7, under my presidency, has made the important decision to let true happiness, wealth and love enter your life.

But you must help us. It's really very simple:

Take 3 matches. Strike the first and when it starts burning, recite the first 3 words of power as follows:

"Danra - Damsis - Barut... Let the invisible powers bring happiness in my life. Danra - Damsis - Barut... Let the secret magic act. Danra - Damsis - Barut... Let the miracle begin!"

Blow out the first match and carefully put it aside. I will tell you what to do with it later.

The 3 words of power that you just pronounced will trigger a magical chain of lucky events in your astral sky, whose power you cannot yet imagine.

This will be followed by astonishing events, lucky coincidences, decisions made in your favour, and the most important thing: the happy ending of an impasse, a situation you never hoped would have a positive outcome.

But that's not all ...  

We will also deal with a very important problem you may not be aware of but that nevertheless is weighing heavily on your existence.

Is there some person or thing that is ruining your life with negative waves?

Is this the result of a very old jealousy, an envy that has never been vanquished?
We noticed that the presence of these negative waves is the main reason for your continuous failures, the financial situation you are in today.

We know that you did everything in your power to escape from this vicious cycle, from this financial misery. But this is difficult, possibly too great a task for you alone. Because there are too many bills to pay every month. Because practically nothing is left over after that.

You have not been spoiled by life and you need money as soon as possible. Now and not in a few years. This is why we will now lead you to the road of success and financial independence.

Dear [REDACTED] now take the second match. When you strike it, recite the next 3 words of power as follows:

"Kun Dra - Hora - Honz... Let the invisible powers bring success and well-being into my life. Kun Dra - Hora - Honz... Let the secret magic act. Kun Dra - Hora - Honz... Let the miracle happen!"

Blow out the second match and carefully put it aside, I will tell you what to do with it later.

You still don't know the significance of what you have triggered with these words. Even so, it is certain that these words will lead to income that will surprise you and that will be the start of a life filled with wealth. More money than you ever possessed.

You will very soon see to what point this unexpected and marvellous phase of good luck will continue to make more money come in. More and more. As if all of a sudden everything is going right for you. This is reality. You are not dreaming. And above all cast aside your last lingering doubts.

Luck is now really alongside you, dear [REDACTED]

Concerning money, you can start preparing yourself for a big surprise in the next few days. Our supernatural and telepathic gifts enable us to tell you that two considerable sums of money are within arm's reach and all that you have to do is hold onto this chance and profit from it.

In principle, your astral destiny is planning on 3 sums of money.

The first of these 3 possibilities of receiving money seems to have occurred a few weeks ago but it "expired" because you were unaware of it.

Unfortunately, you missed out on this occasion because the negatives waves surrounding you at the time were very powerful.
We know that there is a significant relationship between precise numbers and good news about winning large sums of money. Another will follow soon. This will happen in the middle of the week. On that day, you will undertake something you never thought of doing and this will bring you two large sums in cash, the first of which will exceed NZ$ 10,000.00 dear [name obscured].

You can now be convinced that all your money problems could be relegated to the past, [name obscured].

Isn't this wonderful news for you? But you still lack something very important.

We see with great sadness that you have often been alone, that you feel isolated and that you want someone to warm your heart and love you.

We feel the pain in your heart that is making you suffer. You try to hide this from the others but you can't put it out of your mind, no matter what you do. In spite of all your efforts you have not succeeded in alleviating this intense feeling of emotional loneliness. This is why you are so sensitive... and also the victim of negative waves.

Dear [name obscured] you are a generous person. You deserve better, much better. After a difficult life with more lows than highs, it is only right that someone now acts in your behalf, not against you. This is why we now want to bring love and affection into your life.

Now take the third match. When you start to light it, recite the last 3 words of power as follows:

"Zha - Tara - Tsen... Let the invisible powers bring love and affection into my life. Zha - Tara - Tsen... Let the secret magic act. Zha - Tara - Tsen... Let the miracle start!"

Blow out the third match and carefully place it next to the other two. I will explain what to do with them later.

You can now be assured that this difficult phase of a life without love will have a happy ending. For the first time in your life you will see how you will receive concrete help in all the important areas of your existence.
You must be aware that enormous and very important changes will very soon happen to your life.

Changes that will be decisive for your happiness and that you have desired for such a long time, with no hope of them every becoming a part of your life.

**What you have to do is very simple:**

Take the 3 partially burned matches that you lit and put them in the enclosed envelope. They will provide us with all important information about the negative waves surrounding you. We will be able to determine where these waves come from and why they are acting so negatively on your life. We will then be able to act and carry out work that will radically and definitively destroy these negative waves.

In order for this to happen, we have to do something exceptional, something that you really need and that must be done for you.

We will carry out the powerful *"Secret Ritual of Luck and Money"*. It will clear the path and strongly attract the financial windfall we see for you in the coming days and weeks. It will seem like a miracle but is reality.

**You must carry on you a magical and mysterious symbol.** This will enable your most secret wishes to be heard by the invisible forces you cannot yet comprehend. The origin of this symbol, unique in the world, dates back to the earliest history of monks in Tibet. It summons the invisible forces that bring happiness, money and love into people’s lives.

This magical and mysterious sign is the authentic and valuable gem of the rare "green" elephants. It has been said that this unique gem - a genuine work of art - was created from very ancient documents, documents from times long past where magic originated.

This talisman is the seat of all wisdom and the point where all spiritual energies converge, that work together to create the energy of luck.

No matter where this talisman may be, this extremely precious gem of the rare "green" elephants, the invisible forces from its centre converge, attracted by an irresistible call. These forces heed only this call. This talisman is the absolute power over the energies of luck.
The talisman is mounted on a stone base in a secret place of which I alone, Madame Soleil, have the key.

The person to whom this valuable talisman is to be given must be a person who deserves this happiness and above all who is ready to telepathically contact the High Counsel of the Magic 7. We know that this is your case and that you are really the person who deserves this extraordinary happiness.

The energy that will pass from the talisman to you will very soon provide its first results. Just a few hours after you receive it.

In addition, your worst enemy - whoever it is - will be repelled by the vibrations of the talisman such that all threats will be annihilated. You can be sure that you will have dealt your enemy a fatal blow.

But you must act now. Important events in your life, whether luck, love or money, are on the horizon.

You must have this talisman to trigger these lucky events.

Return the three remainders of the burned matches as soon as possible with your request for total assistance.

Act now. You must use this possibility to change your life without waiting. Tomorrow will be too late. Return your Request for Total Assistance while there is still time.

We are waiting for your letter and will start our work as soon as we receive your response.

Madame Soleil

P.S.: Please answer rapidly! We must conduct the powerful "Secret Ritual for Luck and Money" and the work to destroy the negative waves within the next 14 days.

We need your permission to do this. Respond now and give your consent without hesitating.
