2 days ago, late at night ...

A person you know very well revealed a (incredible) secret about you, that could change your life! This is as sure as the sun rises every morning!

"I was almost sure", was the whisper we heard. "This person will win a lot of money at games of chance during this period. Something like this has not happened until today! With the best intentions, I cannot understand why..."

Dear Mrs.

This is from a conversation we had yesterday evening with an astrologer friend and this conversation was about you, Mrs.

She was in our office and we were having a friendly relaxed discussion. We looked at our friend and asked, filled with hope: "Why are you so sure that this person is not already rich?" She answered with a note of deception in her voice: "We have already communicated but today I have heard nothing. If Mrs. had won a large amount of money I would have been told about it and I would now be reassured".

While she was speaking, she removed a thick folder with sheets of paper containing symbols, notes, images and numbers... We looked at the notes and realised that they were items our friend used to write to YOU, Mrs.

Angèle and I were unable to discern any major anomaly, just a few shadowy zones we attributed to the technical limits of modern astrology.

She continued: "You know that being "almost" right is of little use to me. Could you help me? I want so much to help this deserving person who merits being loved. You have worked for years on a method that allows your astrological predictions to be detailed and refined."

She continued: "I suppose that only celebrities and VIPs ask for your help." We answered: "You should know that we have helped many people without money who really need our help, without regard for their social and financial situation..."

Then she took out five sheets of paper covered with notes and calculations that concerned YOU, Mrs., and said: "Please read this and tell me what you think." We gladly gave our opinion because it concerned you, Mrs.

After she left and I was alone with Angèle, we started working right away even though it was already 11 pm. We made an incredible discovery: we were totally stupefied by the sudden planetary alignment in your astral sky and by the intense vibrations we felt. We now know why our astrologer friend spoke of your case with such urgency.

Yes, Mrs., we realised that you are on the threshold of an extraordinary period of your existence!

It will LAST FOR 60 DAYS and starts next Saturday!
In no case must you miss out on this opportunity. We are not "more or less" preparing for this but are really getting ready!

Money worries and other similar problems are not unavoidable fatalities. Man was created to be happy and satisfied, and to live in harmony with nature. This is why we decided TO HELP YOU! We are genuinely outraged that principles as simple as these are not universally accessible.

**YOU COULD PROFIT FROM THIS VERY FAVOURABLE PERIOD OF 60 DAYS, ESPECIALLY FOR WINNING A LARGE SUM OF MONEY!**

We would like to start with this. Afterwards, if you grant us your confidence, we will tell you in detail what could be in store for you.

We verified, extended and further defined the classical astrological predictions our friend made about your future. We did this by using a method that has proven its absolute infallibility for years: **THE EXACT POSITION OF THE MOON ON THE DAY OF YOUR BIRTH!**

Using this method provided a precise representation from your unconscious and what we call the "**symbolic of the unconscious**".

**HERE IS HOW WE WILL PROCEED!**

We have enclosed a document with this letter confirming that you can win **$29,400.00** if you return your "**ACCEPTANCE FORM FOR PAYMENT OF $29,400.00**" before the deadline, and your >> **SPECIAL MILLIONAIRE COUPON No. 173 791<br>** It is to be attached where indicated and possesses a special "**magnetic emanation**" for which only we two can interpret the effects.

We will then reveal to you the method with which you will FINALLY enjoy success in all areas of life!

**ATTENTION**, we have seen that you will have more financial success during this period of 60 days than in the next 15 years!

You can finally express this dream you cherish and that could perhaps come true in the very near future. **"You are returning your "ACCEPTANCE FORM FOR PAYMENT OF $29,400.00". Your >> SPECIAL MILLIONAIRE COUPON No. 173 791<br>** will allow you to receive a very special envelope in your name. You will see that all the money is for **YOU...!"**

You will be able to give a new and marvellous impetus to your life. You will soon be able to purchase those things you have longed for when passing before window displays of luxury boutiques. You also will have the right! We will give YOU our moral support for this, we give YOU our word of honour.

We have set aside 5 days to deal with your case uninterruptedly and your symbolic "golden numbers". Please do not forget to return your "**ACCEPTANCE FORM FOR PAYMENT OF $29,400.00**" today. Take the first step on the road to happiness!

Sincerely,

[Signature]

P.S.: Before forgetting, we have another surprise for you! Our friend insisted that we offer a large part of YOUR cosmic-planetary study at no cost and we agreed. You will also receive a marvellous surprise you can keep forever.

**IMPORTANT:** The **$29,400.00** are waiting to be given away so answer today. We cannot keep this money without awarding it!

ANGÈLE AND ANGÉLINA: unique sisters with extraordinary powers

Angèle and Angélina have built a solid reputation in the field of clairvoyance for more than 20 years. Although people can either dismiss this exceptional gift or believe in it totally, one thing is certain: Angèle and Angélina possess a remarkable gift and their success speaks for itself. The two ladies were kind enough to grant an interview about their very special work.

"... We are 100% convinced of our predictions"

Experts in this field throughout the world are puzzled by the accuracy and quality of your predictions. You enjoy total confidence in the inner circles of connoisseurs and the word "scam" has never been uttered about you. How do you explain such success? Do you use secret procedures? There are of course certain secret methods, papers and parchments, as well as ancestral techniques. Even so, all the means in the world are of no use without the actual gift we have. Either you have it or you don't, that's the way it is. In our case, it has been unequivocally proven that we have the gift, even though at the beginning we were overwhelmed by its gigantic possibilities. It is a great chance that we know how to appreciate and use it wisely. We decided to share our gift with other people so they can benefit from it as well since nothing provides us with more joy than helping and supporting others. Our gift takes us to many parts of the globe but we also spend much time at home for quiet moments and to renew our force. Even if you never reveal the names of people you help, it is well known that you have and continue to help many successful celebrities and businesspeople. Do you have any time left for simple people who lack this fame?

More time than ever! We live a modest life and have never bathed in opulence and luxury. This is why we feel very close to simple people for whom we have visions. We are happier to help people with real financial problems than those who have no material and financial worries. Our reward is the many expressions of gratitude we receive from the people we have helped.

Your gift really allows you to predict events. Do you always take responsibility for what you predict?

Obviously. We always have a very clear perception of the hopes and positive implications that may result from our visions. We thus take full responsibility for what we say or write during our interviews. We can adopt this attitude and mind set because we are 100% convinced of our predictions. We have always made reliable predictions and the "bottom line" so to speak, are the results we have obtained in the course of 20 years of professional activity.

An exceptional gift!
The clairvoyants Angèle and Angélina have often predicted exceptional events that no one had previously spoken of.
