Mrs [Name], you have been selected as the only recipient of our annual endowment of NZ$ 25,000.00.

In less than one minute, discover if you are the lucky winner of our selection and if you will receive your NZ$ 25,000.00 within the next two weeks.

THIS IS NOT A COMMERCIAL OFFER

Dear Mrs [Name],

You think that winning NZ$ 25,000.00 in less than one minute is impossible? And yet...

Every year, the Solidarity Commission of our company attributes an "endowment" to one person selected in our database.

This year's endowment: NZ$ 25,000.00.

In 2014, our investments have already provided an "exceptional profit". In the context of solidarity with the least fortunate, we decided as we do every year, to have one person randomly selected by computer receive a part of this profit in the form of an endowment.

This year, the winner of our random draw will pocket TWENTY-FIVE THOUSAND DOLLARS.

How were you selected, Mrs [Name]?

1. - We programmed the computer to randomly select the names of 12 people in our database.

   You are one of these 12 people!

2. - The computer then selected 12 random numbers among which there is ONE "winning number".

   You have been attributed one of these 12 numbers!

3. - Finally, under control of a notary, we have randomly distributed these 12 numbers in 12 different envelopes.

   Today you are holding one of these envelopes!
Up to now, no one knows which of the 12 selected recipients will win

Mrs ____________, are you this year's only winner?

Here is what you have to do to find out ...

1. – Take the sealed envelope enclosed. It contains the number you were assigned under control of a notary.

2. – Open it now: it contains YOUR number that may be THE "winning number".

3. – Now regard below the list of 12 numbers selected by our computer*: the winning number is highlighted.

4. – Compare this winning number to the number you have found in the envelope: if it is the same, Mrs ____________, you have the only winning number of this year's endowment and you will receive the NZ$ 25,000.00 endowment!

Remember: there are TWENTY-FIVE THOUSAND DOLLARS at stake. A large sum of money!

* List of 12 numbers selected, with the winning number highlighted:

Now what happens?

If you confirm that you are indeed in possession of the winning number of this year's endowment, you will be immediately registered in our "Special Wins Account". The cheque for NZ$ 25,000.00 will then be able to be made out in the name of the winner:

Mrs ____________,

Even so, you may be saying that NZ$ 25,000.00 isn't all that much.

With today's cost of living, it's true that this is not an immense sum, but if you continue reading, you will discover how you can amass a lot more.

Even with a "modest" sum of NZ$ 25,000.00, could:

1. – Take a trip around the world
   or
   2. – Live in a 5 star hotel for 3 months
   or
   3. – Completely redecorate your home
   or else
   4. – Spoil your children and grandchildren ...
Now let's see how you will be able to multiply your win of NZ$ 25,000.00** by 10, 100 and maybe even by 1000!!!

Along with your cheque for NZ$ 25,000.00, you will receive FREE OF CHARGE a "top secret" document that will enable you to rapidly multiply your endowment by 10, 100 and maybe even by 1000 times.

It will be your turn to enter the select circle of millionaires...

Every year, we offer the only recipient of our financial endowment a highly confidential document entitled the "Practical Guide to Success".

The Practical Guide to Success was prepared by the most qualified specialists of our company. It is the result of more than 30 years of experience in the field of finances.

It contains all the secrets, all the "tricks of the trade" that have made our fortune.

It has been revised and printed for you this year and we are pleased to offer it to you FREE OF CHARGE.

It is uncomplicated and will teach you our most closely guarded secrets about how to:

1. - Attract luck and keep it
2. - Procure and multiply additional income
3. - Make your capital grow with no time limits
4. - Repel profiteers and protect your heritage

If last year was difficult for you (money-wise), it is unfortunately very probable that this year will be even worse since we will be subjected to another round of economic and financial upheavals.

Dear Mrs

you must put an end to your account always being in the red!

We sincerely hope that you will be declared winner of this year's annual endowment.

In several weeks or at most several months, we are confident that you could be able to write us a letter similar to the one received from Patricia, last year's recipient of the endowment ...
Letter from Patricia K.

I am actually a bit ashamed to be writing to you today. I never believed that one day I would receive a cheque for NZ$ 22,500.00 [amount of last year's endowment]. All of a sudden I received the cheque and all my worries disappeared overnight: 3 months of unpaid rent, dental work I had put off for so long, my negative bank balance... in a word "adieu" to my problems. Once I paid off my debts, I started to use the Practical Guide to Success. First I won a modest sum in the lottery (NZ$ 5,000.00), then a larger sum (NZ$ 275,000.00) and finally the jackpot of NZ$ 1,500,000.00! Today I live in a beautiful villa, my children are financially sheltered and I made great investments with high returns. Before, I was penniless and today I am very rich. I owe my new life to you. Thank you from the bottom of my heart!

What must you now do, Mrs. ____________________?
