Dear,

Your documents for the dispatch of your check have arrived and I have the honour of sending you the check you’ve already won. Concerning the principal prize, I thank you to be patient a little longer. The confirmations and official checks are not yet finished. We will keep you informed in due time!

, I thank you however for the payment of the amount by which you’ve expressed your wish to profit from a special esoteric method for winning money!

You’re certainly now thinking of complicated calculations and of difficult methods to establish the winning series or this kind of thing. But, no! It’s a lot simpler to put luck on your side when you only need a good talisman!

And it’s this that I have the privilege of sending you today. It’s the magic Eye of Arameus. It’s the incarnation of the power of happiness and of success since centuries ago; it is capable of attracting luck in an unexplainable manner to those who wear it...

Yes, it’s really simple. The Eye of Arameus must just always be at your side; it will “see” for you your luck and all the possible winnings and it will take you directly there in a direct and reliable manner!

With this, winnings of 5 figures are easily possible. Without working, without effort! In this way, you can considerably increase your savings.

But there’s still something missing to respect the conditions of your future fortune; your Chart of Prophecies. It indicates the most favourable dates to become rich but also the negative periods that you must absolutely avoid.

But I already felt something while preparing the Talisman and the Charter of Prophecies for you, Mr. Ross. You want more! You want greater winnings because you don’t want to wait anymore and you’d like STRAIGHT AWAY to have a big share in this part of luck, wouldn’t you?

You now have all the chances of attracting, at home, a predestined win that could reach 1,000,000 dollars! Thanks to the secret action of the BLACK TARANIS...
Dear,

I first want to express my gratitude for the trust you have shown toward me by reading this letter. It is a pleasure for me to help you find the path that will lead you to fortune. This is in fact in your astral theme.

I truly hope that the action of the Black Taranis you will finally provide this extraordinary joy that every new millionaire feels.

I discovered the fascinating powers of the Amulet of the Black Taranis after several years of studying the calculations and secret formulas that Pythagoras left behind.

The rapidity with which this work can change the lives of the poorest people is truly impressive...

This process was discovered more than 20 centuries ago by one of the greatest mathematicians of history. It is still considered today as a revolutionary scientific innovation.

I wanted you to benefit from this scientific process unique in the world, since your life has had more than its share of a bad luck and you have had such misfortune that today you really need a new start.

When I contacted you in a telepathy séance, during the course of my daily analysis of your file, I noted that you had many problems weighing you down. This is why I absolutely wanted to have you profit from this method.

If you look more carefully at the different innovative processes that can influence games chance such as the lottery, you will rapidly see that the possibilities of success waiting for you thanks to the action of the Black Taranis are by far the most effective.

You should know that the power of this amulet discovered by Pythagoras favours a modification of digital waves. According to a theory on this digital molecular relativity, it is possible to influence the numbers drawn in certain games of chance.

Not only am I a mathematician and a numerologist but, I am also responsible for a very important mission: I am the person who will decide who will possess the Amulet of the Black Taranis and thus finally lead a life free of problems...

Rest assured because I can now confirm that YOU are now one of these special people.
Why? Simply because most people all over the world dream of having the power to know in advance the winning numbers in games of chance and of becoming rich by literally attracting the largest possible wins.

The race for profit and knowledge of secrets opens new dimensions every day. Science and discoveries are intimately related. This explains why technological utilisation of all sciences is the number 1 priority of people who want to change their life into a fantastic success story: happiness, triumph and permanent wealth.

Unfortunately not everyone has the chance to do this. Only several special people such as you could profit from this godsend.

A GODSEND OFFERING YOU THE POSSIBILITY OF WINNING MILLIONS AT ONLY GAMES OF CHANCE.

And since I "saw" that a huge sum of money that could reach 1,000,000 dollars could soon be yours, I am not worried. I am rather optimistic if you follow my recommendations to the letter.

What will happen for you, ________?

Your life will be infused with new vitality of incredible power. Everything will be more pleasant. Your current difficulties will be miraculously resolved and all your worries will quickly become things of the past, totally forgotten.

You will feel a beneficial energy open up inside you. You will have more self-assurance. You will no longer have to endure the difficult life you are currently leading and you will become a new person for whom everything succeeds and who looks forward to new projects and the future with confidence. It would take too much time to draw up a complete list of all the events granted to you by fate, that is finally holding out its hand to you.

The only thing I can tell you is that regardless of the desire you have, you can turn it into reality. Nothing will be out of your reach. You can have anything you want!

In spite of this, there is one very important thing.... to which you must pay close attention ...

After examining the problem under all its angles, your current magnetism, for a reason I can't explain, is charged with a NEGATIVE POLE! I am surprised that no one has ever told you this.
This would explain the problems and practically permanent financial difficulties you are in. It would also explain the lack of chance from which you have suffered for years.

One thing is certain: I cannot invert your personal magnetic pole right away by waving a magic wand.

In fact, do you know what a personal magnetic pole is?

Let me explain:

The bad luck you have had these past few months or even for a whole year has resulted from increasing difficulties in your magnetic field that must capture positive waves required for luck.

Positive waves also play a very important role in living a happy life. If they can no longer enter your magnetic field, the conditions of your life will decrease at all levels! Stop looking for the cause of your repeated failures - now we know the reason.

Several essential factors may be responsible for this "block" of your magnetic field. In your case the culprit is your negative magnetic pole. I cannot yet tell you why your magnetic pole has been inverted or why it is being influenced by negative energy, but I can say that everything can return to normal if you use your "Amulet of the Black Taranis".

Just like a battery, your personal magnetic pole charges and discharges. Normally and above all during the night, it becomes charged with positive energy. Sometimes, however, a very rare event, it can become charged with negative energy. If, nevertheless, this occurs, the magnetic field is automatically blocked and no positive wave can pass.

Result: virtually all spontaneous events of luck are repelled and do not reach you!

Please understand, I am not trying to frighten you. I just want to call your attention to a situation that must not last. Otherwise, you could miss out on favourable occasions, happiness and money, even though they are a part of your personal destiny.

This is the answer to your problems. To avoid deceptions in your hopes and your dreams of fortune, you must take advantage of this Amulet of the Black Taranis that guarantees you success and absolute happiness.

You will be able to successfully accomplish the action of the Black Taranis and finally eliminate this permanent bad luck.

Before this, however, you have to honestly ask yourself if YOU REALLY WANT TO REACH YOUR GOAL: WIN UP TO 1 MILLION DOLLARS?
Hiding your head in the sand rather than answering this question means that you accept a gloomy future and that you simply want to continue with your difficulties without having the chance for long-lasting happiness.

You must act now and if you still have doubts about your desire to become a millionaire, remember those times when you said to yourself: "If only I had money... I only I was rich". If you have stopped believing in miracles, if your entourage is sceptical, if you are no longer sure of anything and if you have been taken advantage of by charlatans, you can still trust me.

I know that you need money. This is why I decided to reduce drastically the cost of your Amulet of the Black Taranis! 50 dollars, all the same! On top of this, you still have your check worth 50 dollars that you can use for the Amulet! So, you're receiving 100 dollars as a present today!

I hope you will forgive me for not having found the cause of your bad financial luck sooner.

Please accept my personal help that will change your future. You want to be happy with all your heart and I hope you will not let this fortune predestined for you slip through your fingers.

I must now leave you and I wish you the wealth you deserve and I am happy in advance for the formidable successes you will have if you answer me now!

Your friend who thinks about you every day,
