1. Large sums of money, between NZ$ 8,425.00 and NZ$ 31,900.00 EVERY MONTH for you as well.

2. The members of this exceptional association won more than NZ$ 10,000,000.00 last year! more than 10 million dollars!

This is why the Contests and Verifications Commission has rewarded the method of Association of Lottery Jackpot Winners with the 2014 Gold Medal for guaranteed enrichment.

Dear [Name],

Please allow me to introduce myself. I am Karl Dreher, Chairman of the Contests and Verifications Commission of the Winner Club. The Winner Club drafts an annual report on various methods of playing games of chance. Every day there are dozens of these new methods that appear. The work of our Commission involves differentiating effective methods from outright scams. As you can well imagine, genuinely effective methods are very rare.

This year, however, the Winner Club has made an extremely surprising discovery. A small group, the Association of Lottery Jackpot Winners, has apparently won colossal sums and also at regular intervals. Each member won NZ$ 8,425.00 per month without doing anything except filling out a lottery ticket!

We have verified this for three months and reached the conclusion that the entire Association of Lottery Jackpot Winners won more than 10 million dollars last year! This is an average annual "income" of more than NZ$ 220,000.00 per member.

The first question that came to mind was what do these people have in common and above all what is their secret for winning so much and so often?

The response was not long in coming. You may have heard about the founder of this association who revealed her secret "recipe" for winning the lottery. In any case, she knows who you are and this is the reason why I am writing to you today.

This mystery person is none other than the famous...
...Michelle Devon

Director of the Worldwide Institute of Applied Parapsychology
Medium working for justice departments to locate missing persons and property
Elected clairvoyant of the new millennium

The "Great Lady" of clairvoyance, medium for the location of missing persons and property, Director of the Worldwide Institute of Applied Parapsychology (WIAP), was elected Clairvoyant of the New Millennium.

She is the founder of this extraordinary association.

When I learned the important role she played in this matter, I decided to contact her. She was ready to directly answer my questions and here is a copy of the interview I was granted:

*Stephen Gump: Michelle Devon, my name is Stephen Gump, President of the Winner Club. As you know, I am very interested in the Association of Lottery Jackpot Winners that you founded and in the regular wins of its members. How did you come up with the idea for this association?*

Michelle Devon: You probably know that the method I use from time to time to help those seeking help to win the lottery works genuine miracles. I thus wondered if I could make it a bit more public to be able to help several people win a lot of money at the same time. This is how I got the idea for the Association of Lottery Jackpot Winners and the idea gradually took on concrete form.

S.G.: Michelle Devon, why did you select these particular people to become members of the Association of Lottery Jackpot Winners?

M. D.: Simply because these people have been tormented by constant money problems for too long. I wanted to help them easily win money and have a better life.

S.G.: Why are there so few members of the Association of Lottery Jackpot Winners?

M. D.: For two reasons: first because I cannot physically take care of a large number of cases at the same time. My other activities such as bringing hope and happiness to the poor for example, require considerable time. In addition, you are aware that I am a clairvoyant and there are not very many people sufficiently intelligent and open to believe I can really help them win large amounts of money in the lottery. If your report is well received by the public, the Association of Lottery Jackpot Winners will become a bit larger! In particular now, since I have more time for the association!

S.G.: You know that your method has every chance of winning the 2014 Gold Medal for guaranteed enrichment. The greatest distinction ever conferred on a method for playing games of chance. Can you tell me more about this method?

M. D.: Of course. I call it the "Sure-Fire Lottery – Max Wins". As the name indicates, you can win tidy sums with a small wager. The minimum win when using this method is $8,425.00 for a lottery ticket of only 2 dollars! The other details are protected by the confidentiality of clairvoyants. I can thus say no more.

S.G.: Thank you for having answered my questions, Michelle Devon. I will inform you of the results of our work and I wish you a pleasant day.

M. D.: Thank you, Mr. Gump.
My team and myself wanted to understand more precisely and we contacted every member of the Association of Lottery Jackpot Winners personally. They all confirmed that they owed their enormous lottery wins to Michelle Devon.

I sent the results of our research to the independent jury of the WINNER CLUB. The detailed report of our study of the Association of Lottery Jackpot Winners was part of this. There were also reports on 115 other techniques, procedures and methods for playing games of chance.

In last December 15th, the "Sure-Fire Lottery - Max Wins" method was unanimously awarded the 2014 Gold Medal for guaranteed enrichment!

Here are the criteria with which the "Sure-Fire Lottery - Max Wins" method was granted the Gold Medal:

- "Sure-Fire Lottery - Max Wins": the only method to automatically win the lottery with 100% assurance.
- The only method guaranteeing minimum wins.
- The only method to regularly win the lottery while wagering less than a few dollars.
- And finally the most incredible: "Sure-Fire Lottery - Max Wins" is apparently the only method with which you can regularly win an average of NZ$ 19,500.00 a month in the lottery! Even better, these wins recur as often as desired. The more often you use the method, the more often you win!

These are the reasons why for the first time, all 17 members of the jury unanimously awarded the "Sure-Fire Lottery - Max Wins" method the Gold Medal for guaranteed enrichment.

For your information: the Silver Medal was awarded to the "Play and Win All" method with which up to NZ$ 900.00 a month can be won. The Bronze Medal was awarded to the "Method of Assured Wins" with which up to NZ$ 560.00 can be won.

You can see that no other method provided such spectacular results as the "Sure-Fire Lottery - Max Wins" method!

Michelle Devon was both surprised and elated by the news. She immediately seized the occasion and proposed the following to me: she gave me a list of (privileged) people she would like to welcome to the Association of Lottery Jackpot Winners. She asked me to send these people a copy of the WINNER CLUB report to inform them of the proven "Sure-Fire Lottery - Max Wins" method!

John and Louise, retirees

"Before becoming members of the Association of Lottery Jackpot Winners, we had only a very small pension. We were living at a subsistence level and could not travel, in particular the trip to the Antilles we had been dreaming about for so long. The worst thing was that we couldn’t spoil our children and grandchildren. Now everything has changed since we won the jackpot with the "Sure-Fire Lottery – Max Wins" method. To put the icing on the cake, all we did was buy one lottery ticket for 2 dollars! From the bottom of our hearts we thank our fairy godmother Michelle Devon."

Bernice, 57 years old

"The "Sure-Fire Lottery – Max Wins" method of Michelle has enabled me to be on the verge of making my lifelong dream come true: a trip around the world. The photo is of my cruise in Egypt. You probably think it cost me a fortune. And you are right! But in reality, I spent only a few dollars and won ten thousand times more! A miracle! And when I think about how hard it used to be to make ends meet! Finally life is beautiful. The Association of Lottery Jackpot Winners of Michelle is really the greatest thing that ever happened to me and my four children".

Peter and Catherine

"When Michelle Devon proposed her lottery method, I really didn't believe it. In contrast to my fiancée at the time, I did not believe in clairvoyance but Catherine insisted and we accepted the offer. Today I have to admit she was right! Since we have been using the "Sure-Fire Lottery – Max Wins" method, we have won almost $ 960,000.00! We left our low income apartment for a villa and we are now married!"

Daniel, 43 years old

"What do I think of the "Sure-Fire Lottery – Max Wins" method? I no longer have to work, I earn my livelihood by playing the lottery and I can buy anything I want! What else can I say? The method is a godsend, nothing less!"
