Dear [Name],

My name is Connie and it is my pleasure to assist you in regards to the transaction between you and Garner Gary. The transaction will only appear as soon as the western union information for the Agent fee is received from you. I want to notify you that a payment of $9,500.00NZD for the car has been deposited into our database by Garner Gary and is ready to be credited into your account. The money was sent through the Service Option Secure Payment so that the transaction can be protected with adequate security measures for you to be able to receive your money. You have nothing to doubt about. You are well safe and secured doing this transaction and your account will be credited immediately the western union receipt of $1,700.00NZD is received from you. You need to understand the fact that you have to provide us with the western union receipt (Agent fee) for the verification and immediate remittance of your account. You will have to send the western union receipt to us.

So therefore, all you have to do now is to proceed to send the $1,700.00NZD through Western Union Money Transfer to the confirmed shipper address and make sure you contact us with the necessary Western Union details so that we can verify it and then credit your account with the total amount. Visit any Western Union Office close to your home and fill the form with the address details provided by the buyer, give the cash to a western union agent there and you will be given back a receipt for the payment, you are required to send us the receipt for verification.

You are required to send the western union information as stated below.

1. Sender's Name;
2. Receiver's Name;
3. MTCN;
4. Amount Sent;
5. Western Union Receipt.

We assure you that this is a safe and approved transaction and your account will be credited immediately we verify the Western Union details for the insurance fee. You can contact us anytime if you have any question(s) about this transaction. We want you to understand that the money payment can't be reversed nor can it be canceled or split, so we assure you that you are 100% secured doing this transaction.

Once again be rest assured that you will have your money. Once the Western Union Information for the insurance fee is received from you for verification.

Thanks for choosing PayPal as your online payment. We promise to provide you with a very fast and secured transaction.

Sincerely,

A. Williams,
PayPal Team.
